

STRATEGIC FINANCE CAREERS AT PEPSICO

SEEKING LEADERS FOR THE WORLD'S LEADING BRANDS

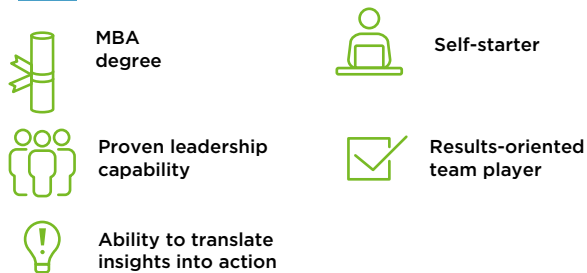

On the Finance, Strategy and Transformation teams, you'll have the opportunity to explore a multi-disciplinary career path across a broad number of functions, and make a real contribution to driving sustainable, full-potential performance for our company.

A STRATEGIC FINANCE CAREER AT PEPSICO

THE JOB

As a new hire, you'll be challenged to think both strategically and analytically to solve critical business problems. You'll have a seat at the table and a strong voice in the conversation across the company. All roles are highly cross-functional and require strong influencing skills.

YOU

THE EXPERIENCE

Over the course of your career, you'll rotate through different teams in order to develop well-rounded technical and functional skills.
